All "Signature" ringtones embedded in this phone have been composed, arranged and mixed by NU TROPIC (Amar Kabouche).

Calls and Voicemail

HD Voice Capable

Enjoy clearer conversations and reduced background noise with HD Voice*.

Make a call

1. From the home screen, tap **Phone**.
2. Type a name or phone number, or select one of the following options:

- ☎: To manually enter a phone number.
- ★: To choose from frequently called contacts.
- 🕒: To choose from a list of people who you have recently called or have called you.
- 👤: To make a call from your contacts list.

Check voicemail

1. From the home screen, tap **Phone**, then tap **☎**.
2. Press and hold the **1 key**.

Call waiting

Call waiting allows you to answer a second call while putting your existing call on hold. While on a call, you will hear a tone if another call comes in.

ANSWER: To answer the incoming call.

📞: To switch between active calls.

👤: To merge calls.

📞: To end a call.

* To experience Cricket HD Voice, both callers must have a compatible HD Voice capable smartphone and make the call over Cricket's LTE Network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call.

Phone Setup

1. Remove back cover by gently pulling up on the indentation on the bottom left of the cover.

2. Insert the nano SIM card and microSD™ card* with gold contacts facing down (NOTE: microSD slot is located above the SIM slot).

3. Ensure that nano SIM and microSD cards have been properly secured.

4. Put the back cover on.

* microSD card sold separately

WARNING: To avoid damage to the phone, only use the standard NANO SIM card provided by your service provider.

Text and picture messaging

Send a text message

1. From the home screen, tap **Message**.
2. Tap **New message** button to start a new text message.
3. In the **To** field, enter a number or a contact name or tap **Contacts** to access your contacts.
4. Tap the **Type message** field and enter your message.
5. Tap **SMS** to send the message.

Send a picture message

1. Follow steps 1-4 above.
2. Tap the **Paper Clip**.
3. Tap **Picture** and select desired picture or tap the **Camera icon** to take a picture to attach.
4. Tap **MMS** to send the message.

Touch screen

Navigating your phone

- Use your fingertip to tap the screen.
- Use quick flicks of your finger on the touch screen to swipe up, down, left, or right.
- Tap **Back** to return to the previous screen.
- Tap **Home** at any time to return to the home screen.
- Tap **Recent apps** to access recently viewed apps.
- Swipe up to access applications on your phone.

Notification panel

To access alerts, including new messages, emails, and software updates:

- From the top of the home screen, drag your finger down to view the notification panel.
- Swipe right or left to clear individual notifications or tap **CLEAR ALL** to clear all.
- With the notification panel open, tap the top of the screen again and drag down to see the Quick Settings menu.
- Tap **Settings** to access the complete Settings menu.

Personalize

Set wallpaper

- To change your home or lock screen wallpaper, touch and hold a blank part of the home screen and tap **WALLPAPERS**.
- Select a wallpaper and tap **Set wallpaper** to set the image and then select whether you want it to appear on the lock screen, home screen, or both. You can also tap **My photos** for additional options.

Add to home screen

- To add app shortcuts, swipe up to access applications, press and hold the desired app, and drag it to the home screen.

- To add widgets, press and hold a blank section of the screen and tap **SHORTCUTS**, then press and hold the desired widget and drag it to the desired location on the home screen.

Organize home screens

- To move widget or app shortcut, press and hold it and then drag it to a new location. To delete it, drag it toward the top of the screen. You will see "X Remove" -- drag it on top of "X Remove."
- To create a folder, press and hold an app shortcut and drag it on top of another, then release.
- To rename a folder, press the folder title to type a new name.

Convenient Services & Features

Cricket Services

These services make using Cricket even better and easier.

myCricket: Check account balance, make a quick payment, view usage and access support from the palm of your hand.

Visual Voicemail: Quickly view, access and play back your voicemail messages. Easily save important numbers to your Favorites list and respond to messages by calling back or texting.

Additional Features

Battery Saver: From the Settings menu, tap **Battery**, then tap on **Battery Saver** and then tap on the switch to toggle on/off.

Quick Camera Access: Double press the Power key twice, even when the screen is dark, to quickly launch the camera.
