Using Navigation

Getting Started

- **Navigate** (Navigate) is located above the number pad that frames **OK** (OK).
- Press Up, Down, Left, or Right on the ring to navigate the screen.
- To make a selection, press **OK** (OK).
- Shortcuts accessible from the Home screen:
 - **Navigate up** (Navigate up) to access Quick Settings, such as Camera, Bluetooth, Wi-Fi, and more.
 - **Navigate down** (Navigate down) to access Camera and quickly capture photos and videos.
 - **Navigate left** (Navigate left) to access the Apps on the Home screen (Store, your Google Assistant, Google Maps, and YouTube).
 - **Navigate right** (Navigate right) to access Messages and quickly send and read text messages.
 - Press **OK** (OK) to access the App tray. Press and hold **OK** (OK) to launch your Google Assistant.

Use Your Google Assistant

Need to get something done? Just press a button and ask!

Launch your Google Assistant

1. From the Home screen, press and hold **OK** (OK) to launch your **Google Assistant**, or press **Navigate left** (Navigate left) to access your **Google Assistant**.
2. Once the "Listening..." screen appears, say your voice command out loud. Your **Google Assistant** will speak back to you and walk you through the next steps.

Use Google Assistant to Make a Call

- Call a contact: Press and hold **OK** (OK), then say "Call Katie." Your phone will call Katie from your **Contacts**.
- Call a number: Press and hold **OK** (OK), then say "Call 998-321-1234." Your phone will dial the number.

What else can your Google Assistant do?

- Open an app: "Open E-Mail."
- Get the weather: "What's the weather in Atlanta today?"
- Send a text: "Send a text to Katie."
- Find a local business: "Find a pizza place."
- Find out what else your Google Assistant can do: "What can you do?"

Text Messaging

Send a Text/Multimedia Message

1. From the Home screen, press **OK** (OK) > **Messages** (Messages).
2. Press **Left Menu** (Left Menu) to create a new message.
3. Enter the phone number of the recipient in the **To:** bar, or press **Right Menu** (Right Menu) > **Add Contact**.
4. Press **Navigate down** (Navigate down) to access SMS bar to type in the message.
5. Press **Left Menu** (Left Menu) to send.

Use T9 to Quickly Type Words

1. From the Home screen, press **OK** (OK) > **Settings** (Settings) > **Personalization > Input Methods**.
2. Press **OK** (OK) to turn T9 On or Off.
3. When forming a word, press each key only once for each letter.
4. Once the word of your choice appears, use **Navigation** (Navigation) to highlight the word. Press **0** to add a space and proceed to the next word.
5. Press **#**** to toggle between the other types of input methods: abc, ABC, 123, Abc or to return to T9.

Capture Life's Moments
